JOINT STATUS REPORT

The parties in the above-captioned action, by and through their undersigned counsel, respectfully submit this Joint Status Report regarding the progress of the related International Trade Commission investigation *In the Matter of Certain Semiconductor Devices, Semiconductor Device Packages, and Products Containing the Same*, Inv. No. 337-TA-1010 (the “1010 Investigation”) pursuant to the Court’s Oral Order of September 6, 2017, which required the parties to submit a status report further updating the Court on the progress of that proceeding.

As previously reported, the evidentiary hearing in the 1010 Investigation concluded on March 31, 2017 and the Administrative Law Judge issued her final Initial Determination (“ID”) on June 30, 2017. Both Complainants and Respondents filed petitions seeking review of certain determinations made in the ID.

On September 29, 2017, the Commission issued its Notice of Commission Determination to Review in Part a Final Initial Determination Finding in Part a Violation of Section 337; Schedule for Filing Written Submissions on the Issues Under Review and on Remedy, the Public Interest, and Bonding; and Denial of a Motion to Modify the Administrative Protective Order (“Review Notice”) (a copy of the public version of the Review Notice is attached as Exhibit A).

In response to the Review Notice, the parties filed their opening written submissions on October 13, 2017 and reply submissions on October 23, 2017.

On November 21, 2017, the Commission issued a notice extending the target date in the 1010 Investigation from December 1, 2017 to December 13, 2017.

The parties are available at the Court's convenience if the Court requires further information.
